

TITLE 326 AIR POLLUTION CONTROL BOARD

#05-118 (APCB)

SUMMARY/RESPONSE TO COMMENTS RECEIVED AT THE FIRST PUBLIC HEARING

On June 7, the air pollution control board (board) conducted the first public hearing/board meeting concerning the development of amendments to 326 IAC 7-4-2. Comments were made by the following parties:

Improving Kids' Environment (IKE)

Following is a summary of the comments received and IDEM's responses thereto:

Comment: The commenter requests that IDEM reevaluate the combined SO₂ limit to see if it really needs to be the full amount. This is an important evaluation since Marion County is nonattainment for fine particles and SO₂ is a precursor to fine particle formation. (IKE)

Response: IDEM will consider this comment and respond appropriately by final adoption.
